# Parish Renewal Guide Training

Foundations Training Session 2

## Launch Point

*An introduction to the renewal journey for pastors and teams*

Launch point is a 90-minute online event designed for pastors and lay leaders he brings alongside him to explore together the case for renewal and discern possible next steps. Parish Renewal Guides are not required to attend Launch Point but are invited and welcome to do so as helpful.

### **Inspire:**

Launch Point inspires a priest and his team to dream big and envision a thriving, mission-driven parish.

### **Explore:**

Launch Point names the reality of parish decline, helps a team recognize their place in that reality, and explore a pathway forward.

### **Discern & Decide:**

This group experience helps a priest and his team to discern whether renewal is a journey they want to take.
