# What is Genesis Compass

**Genesis Compass** is a tool developed by Divine Renovation to help parishes, pastors and parish leaders embark on a journey of parish renewal.

Genesis Compass frames **key principles of parish renewal** within the narrative of the **creation story**, and in it outlines the **seven main themes a parish must embrace** when casting off on their journey from **maintenance to mission**.

# Why was it developed

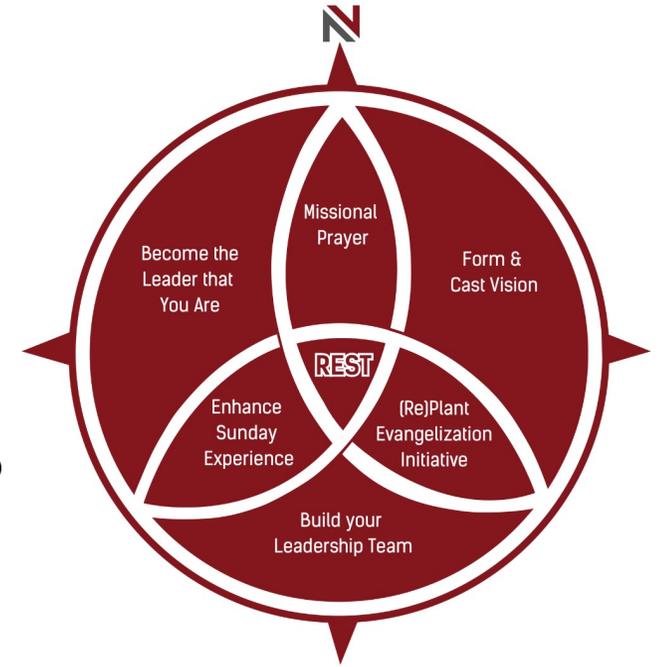

Genesis Compass was developed in response to **parishes' growing need** for help to escape maintenance mode and **reclaim their missional purpose**.

The Genesis Compass tool will be used by trained parish laity, or **Parish Renewal Guides (PRGs)**, to accompany **priests and parish leaders** on the renewal journey. This will place the necessary tools in the hands of PRGs and allow for the **multiplication of parish renewal**.

# The Methodology

Inspired by the **Genesis creation story** and the key principals of **God's plan of creation**, we guide parishes through a process to re-create missional parishes.

Our compass is used to help parishes **find their bearings** and to identify and orient the **direction they need to take**.

# The 7 Modules

Each module is made up of **multiple sessions** over the course of **a few months**.

**Day 1 Module:** Missional Prayer – *“The Spirit of God hovered over the waters.”*

**Day 2 Module:** Form & Cast Vision – *“Let there be light.”*

**Day 3 Module:** Plant an Evangelization Initiative - *“Let the land produce seed-bearing plants.”*

**Day 4 Module:** Create a Leadership Team – *“God set lights in the vault of the sky, to govern the day and the night.”*

**Day 5 Module:** Enhance the Sunday Experience - *“Let the water teem with living creatures.”*

**Day 6 Module:** Become the Leader You Are – *“Let us make mankind in our image.”*
